

JAMI Sponsored Walk

Back to Life

'Back to Life', which supports the Jewish Association For The Mentally Ill (JAMI), held a sponsored fun walk and bike ride on a bright but very breezy morning on Sunday, 3rd May 2009.

The SDRS cheder, teachers and parents (pictured below) participated in the event along Southend seafront from the shelter at the bottom of Chalkwell Avenue to Ness Road and then back again. Everyone who took part had a great time and raised a magnificent £120.

Thanks to David Sears for supplying the photographs used in the montage.
